

The image shows an IDE with two main windows: a code editor and a graphical user interface (GUI) preview.

Code Editor (Ventana.java):

```
19 public Ventana() {  
20     initComponents();  
21 }  
  
22  
23 /**  
24  * This method is called from within the constructor to initialize the form.  
25  * WARNING: Do NOT modify this code. The content of this method is always  
26  * regenerated by the Form Editor.  
27  */  
28 @SuppressWarnings("unchecked")  
29 Generated Code  
273  
274 private void jComboBox1ActionPerformed(java  
275     // TODO add your handling code here:  
276     jTextField1.setText(jComboBox1.getSelected  
277  
278  
279 }  
280  
281 private void jComboBox2ActionPerformed(java  
282     // TODO add your handling code here:  
283     jTextField1.setText(jComboBox2.getSelected  
284  
285  
286 }  
287  
288 private void jComboBox3ActionPerformed(java  
289     // TODO add your handling code here:
```

GUI Preview:

The GUI is titled "Carta Disponible" (Available Menu). It features four tabs: "Especial", "Vegetariano", "Tradicional", and "Bebidas". The "Especial" tab is currently selected, displaying a list of "Platos fuertes" (Main Dishes):

- Tofu de Soya
- Hamburguesa de Lenteja
- Sushi Vegetariano
- Ensalada Cesar
- Pasta de Verduras

Below the menu, there is a section titled "Realiza tu Pedido" (Place your order). It contains four dropdown menus for selection:

- Especial:** n/a
- Vegetariano:** n/a
- Tradicional:** Ajiaco
- Bebidas:** Agua de Manantial

An "Ordenar" (Order) button is located below the dropdowns. Below the button, the selected items are displayed in text boxes:

- Ajiaco
- Agua de Manantial

The Output window at the bottom shows the following text:

```
Parcial2 - C:\Users\ESTUDIANTES\Desktop\Parcial2 x Run (Menú) x  
Building MEHA 1.0
